PROCLAMATION

WHEREAS, this Fourth Annual South Dakota Mechanical Corn Picking Contest, sponsored by Radio Station KSOO and its 1955 co-sponsor, the Better Bridgewater Club of Bridgewater, South Dakota, where this event will be held, has become an event that all farmers and business men alike are looking forward to and enjoying, because it so clearly demonstrates the progress that mankind has made in the last few years to create labor-saving devices that not only expedite the harvesting of corn crops, but also relieves them of the burdensome labor of former years; and

WHEREAS, with the advent of the mechanical corn picking age, no matter how carefully the machines are constructed, the operator, to a certain degree, becomes exposed to injury unless the necessary precautions are observed at all times; and

WHEREAS, these injuries in the past years have been fatal to some and have crippled many, it is on occasions of this kind that a promotion of farm safety in the mechanical age can be stressed in no uncertain terms, and those participating either actively or as spectators will, without a doubt, go home and promote and activate farm safety on their own units;

NOW, THEREFORE, in view of the fact that so much can be gained from this annual event, both in promoting better and faster harvesting of South Dakota's greatest crop, the corn crop, and the promotion of safety on the farm in this mechanical age, it gives me great satisfaction to proclaim October 11, 1955, as the date for the Fourth Annual South Dakota Mechanical Corn Picking Contest.

IN WITNESS WHEREOF, I
have hereunto set my
hand and caused the
Great Seal of the State
of South Dakota to be
affixed this 11 day
of October, 1955.
